Team kits in your design, made by Rezzella.

Upload your design, or ask us for a free one. We make your kit in your colours, with your crest, names and numbers, in our fabric made to block the sun.

For any team: clubs, schools, companies, crews and events, for any sport or none. It is your kit, made by Rezzella, with our signature small.

Upload your design

Send your artwork as PDF, PNG, JPG, SVG, AI or EPS. We place it on our pieces, match your colours and send it back to you to approve, with a price.

Ask for a free design

Tell us your colours and send your crest or logo, if you have one. We draw your kit for free and send it to you within 48 hours.

Any colours

A few of the colourways we make, drawn on our jerseys. Send us your colours and we match them.

White and black

Navy, red and white

Coral and white

Red and white

Teal and white

Pink and charcoal

Charcoal and lime

Orange, navy and white

Mint and black

Grey and red

Black, red and white

White, sky blue and navy

Burnt orange and cream

Sand and black

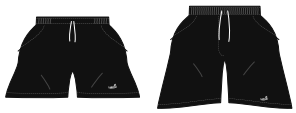

The pieces

Jerseys
Short or long sleeve, with raglan sleeves, side panels and a V collar. Your crest sits on the left chest and our signature, small, on the right.

Sleeveless jerseys
With bindings in your second colour, a word and a number on the front, and a name and number on the back.

Shorts
A shorter and a longer length, with an elastic waist and a drawcord, in your colours.

Sun Sleeves
A pair of sleeves with a grip band at the top, for anyone in a sleeveless jersey or short sleeves.

What makes it Rezzella

Made to block the sun
A tight knit, never open mesh where the sun hits. Our fabric goes to ARPANSA, Australia's radiation protection agency, for testing to AS/NZS 4399 before the first run. The full report goes on the shirt test page.

Cool in the heat
Light, quick drying fabric for training, match days and long days outside in hot weather.

More cover when you want it
Long sleeves for the whole team, or Sun Sleeves for anyone in a sleeveless jersey or short sleeves.

The shirt test
A UV card for every person on the team. Hold it in the sun, then under the jersey, and see the difference for yourselves.

Your design
Your colours, crest, sponsors, names and numbers, printed into the fabric so they do not crack or peel.

Your kit, made by Rezzella
Our signature sits small on every piece, next to your crest. Everything else is your design.

How it works

Upload your design, or ask for a free one → A design to approve and a price within 48 hours → Approve and pay a deposit → Delivered about four weeks after you approve, from January 2027
